(2) No longer than 26 consecutive weeks for a medical leave. Coverage may be extended for a longer period of time, if required by federal rules such as COBRA.

Eligibility for Medical Coverage

☐ Medicare Primary
☐ Plan Primary

Under federal law, if your group had 20 or more employees during 20 or more calendar weeks in the preceding calendar year, the Health Plan is primary and Medicare is secondary. This statement does not set forth all rules governing group level Medicare status. The Group should contact its legal and/or tax advisor(s) for information regarding other rules that may impact the Group's Medicare status. Under federal law, it is the Group's responsibility to accurately determine its Medicare status.

Prior calendar year average total number of employees _____

Under Health Care Reform law, the number of employees means the average number of employees employed by the company during the preceding calendar year. An employee is typically any person for which the company issues a W-2, regardless of full-time, part-time or seasonal status or whether or not they have medical coverage.

To calculate the annual average, add all the monthly employee totals together, then divide by the number of months you were in business last year (usually 12 months). When calculating the average, consider all months of the previous calendar year regardless of whether you had coverage with us, had coverage with a previous carrier or were in business but did not offer coverage. Use the number of employees at the end of the month as the "monthly value" to calculate the year average. If you are a newly formed business, calculate your prior-year average using only those months that you were in business. Use whole numbers only (no decimals, fractions or ranges).

☐ Yes ☐ No Do you currently utilize the services of a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), Staff Leasing Company, HR Outsourcing Organization (HRO) or Administrative Services Organization (ASO)?

☐ Yes ☐ No Is your group a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), or other such entity that is a co-employer with your client(s) or client-site employee(s)?

If you answered Yes, then by signing this application you agree with the certification in this section. I hereby certify that my company is a PEO, ELC or other such entity and that only those employees who are the corporate employees of my company, and not my co-employees, are permitted to enroll in this group policy. If my group at any point after I sign this application determines that the group will provide coverage to the co-employees under the group's plan, I understand that UnitedHealthcare will not cover the co-employees under this group policy.

☐ Yes ☐ No Does your group sponsor a plan that covers employees of more than one employer?

If you answered Yes, then indicate which of the following most closely describes your plan:

☐ Professional Employer Organization (PEO)
☐ Multiple Employer Welfare Arrangement (MEWA)
☐ Taft Hartley Union
☐ Governmental
☐ Church
☐ Employer Association

☐ Yes ☐ No Do you have common ownership with any other businesses? If you own multiple companies, or a parent-subsidiary relationship exists between your company and another, this may indicate common ownership of businesses.

UnitedHealthcare may request the applicant's most recent wage and tax payroll records. The applicant agrees to furnish UnitedHealthcare with all information and documentation which may be reasonably required with regard to eligibility for coverage.

I understand that the information provided on this application and on the Employee Enrollment Application Form is used to make decisions regarding eligibility and pricing. I also understand that misrepresentation, concealment or omission of fact, or a mistake of fact (whether or not a mutual mistake) by the Employer, agent of the Employer, Employee or Participant covered under the Plan, could materially affect the underwriting, premium, rating or terms and conditions of the Employer's Excess Loss Coverage. In addition, such misrepresentation, concealment, omission of fact or a mistake of fact (whether or not a mutual mistake) could result in increased premium rates, attachment points and/or otherwise change the terms and conditions of the Employer's Excess Loss Insurance Policy retroactive to the effective date or as of any premium due date thereafter or termination of that Policy as of the next premium due date. I also understand that the Excess Loss Insurance Policy may be declared null and void in its inception if the Employer, any agent of the Employer, or Employee or Participant covered under the Plan has willfully or intentionally misrepresented, concealed, omitted any material fact affecting terms, conditions, or underwriting of the Excess Loss Insurance Policy.

I further certify that Employer is an employer eligible to sponsor a group health plan under federal law known as ERISA. I also certify that the individuals covered under the Employer's group health plan are common law employees. United HealthCare Services, Inc. or its affiliates reserves the right to terminate the parties' agreement in the event that information shows that the Employer is not eligible to sponsor a group health plan.

Coverage is not in effect until the undersigned receives written approval from United HealthCare Services, Inc. Final approval or disapproval is not taken on the Application until all required information in the Application and all required information for enrolling employees and their dependents is submitted and reviewed. No person other than an officer of United HealthCare Services, Inc. has the authority to bind or alter coverage, and the undersigned agrees that any such attempt by the agent is void and is not effective. The deposit amount will be returned to the Employer if coverage is declined.

United HealthCare Services, Inc. reserves the right to contact any employee at the place of business to complete the enrollment process. Any person who, knowingly and with intent to defraud any insurance company, submits an application or files a claim containing any materially false information may be guilty of insurance fraud, which is a crime, and may be subject to fines and confinement in prison.
