Services may require preauthorization. Failure to obtain preauthorization will result in denial of benefits.

Biofeedback

Precertification

Children's Glasses

Precertification is required for all in-hospital admissions, imaging (CT/PET/MRI/MRA), home health, skilled nursing, hospice, DME (over \$500), chemotherapy/radiation, sleep studies, prosthetics/orthotics, therapies (chiropractic, cardiac, PT/OT/ST), and outpatient surgery. Please refer to the plan document for a complete list of all services that require precertification under your plan.

• Organ Transplant Services

Emergencies are covered but do require authorization/certification within 48 hours.

This illustration describes the plan in an easily understood manner and is presented as a matter of general information only.

The contents are not to be accepted or construed as a substitute for the provisions of the plan document or summary plan description, which contains more exact terms and detailed provisions of the plan, and it is not to be considered a policy of insurance.
